

Support Raising to Ship Out to Japan !

UPDATES

Thank you for your support so far! God has been slowly starting to provide for us! Our most recent life update is that this past Friday, December 20th, Tommy finished his M.Div at Talbot seminary after 5 years! Thank you to everyone who walked with us during this season. It's a huge milestone as we finish up things in the US and prepare to head to Japan by the end of next July.

Progress

Thanks to your prayers and support, we have been able to raise about 35% of our target amount in total, and about 25% of our goal for monthly pledges. We will continue to work hard step by step next year too!

Target amount

Yearly \$92,000
Monthly \$7,700
