

# Support Raising to Ship Out to Japan

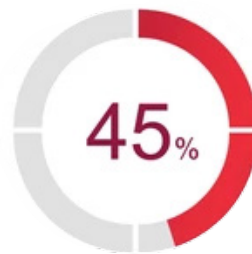

## UPDATES

On January 31st, Tommy stepped out of the Youth Director role at GVBC. The students, leaders, and parents prepared a surprise after the youth meeting! It was a really touching night for us, especially to hear the students pray. We felt loved and supported as we move toward Japan. Until the end of June, Tommy will still be staff at GVBC, but now helping with Nihongo and Discipleship.

Walking into the surprise party!

We're praying for  
monthly supporters

During the first week of February we traveled to Atlanta to do support raising and meet with other missionaries and Second Level members. God provided meetings with two churches - please pray for these connections, that God would provide new supporters to partner with our vision!
