Recovery, Baptisms, and Sharing

UPDATES

In early April, Tommy had the privilege of baptizing two of his former youth students who accepted Christ! This was a great reminder for us that God is at work through us as we plant seeds of the Gospel, and that each of us has a part to play.

Mission Information Meeting

On April 12 we had a mission sharing meeting where we were able to meet, share our vision, and spend time with some people supporting us.

We were really encouraged by their great questions and the time of prayer at the end they had for us. We announced that we are now planning to depart

on **August 1st!**
