

Seattle and Back

At the end of May, we visited Seattle to share about our ministry and explore future US areas for a Soul Care retreat. It was great to see friends, like former JEMS member Carolyn Shimabukuro and Pastor Nakanishi from the Reaching Japanese for Christ conference. On June 29, Tommy shared his final sermon at GVBC's Nihongo service!

Holiness Summer Conference and Mount Hermon

The Holiness conference where Yumi will be speaking is coming up on July 1-4! Later the same week, Tommy will head up to Mount Hermon to help with a missions seminar and continue support raising. Please keep these two events in your prayers!
